

Taylorsville City Amateur Radio Club Weekly check in Net script.

Good evening. This is **(ID/your Call Sign)** _____ **(Example: Troy N4HAM)** [example: Troy, N4HAM], and I will be acting as net controller for the Taylorsville Amateur Radio Club HAMnet. Our club call sign is KT7ARC. We are performing this radio check on the 146.74 repeater with a -600 kHz offset & a 114.8 tone which is linked to the 448.100 repeater with a -5MHz offset, also with a 114.8 tone. The repeaters are located on top of Huntsman Cancer Hospital.

The purpose of this radio check is to allow those in the Taylorsville City Amateur Radio Club and other participants to practice communication skills as well as test their equipment. This will help you in your preparation for any emergency.

This is a directed net so please communicate with the net controller. Please respond when your name and call sign are called. **Should there be an emergency during the net, please use the word **BREAK** to conduct your emergency traffic.**

Our member check in list is organized by City Council Districts. If you have **traffic, training, or announcements**, please inform net control when your name is called, and we will come back to your traffic after roll call.

If there are guests to this net who are monitoring this repeater, please feel free to check in when the call goes out for guests; please give us your call sign, name & location. We are always interested in the range of the repeater.

Again, this is (ID/Call Sign) _____ [example: Troy, N4HAM] for the Taylorsville Amateur Radio Club HAMnet, KT7ARC.

We will now proceed with roll call.

- **Call for members according to the district lists.**
- **We will now ask for any Late or missed stations. Please respond with your name, call sign, and assigned District.**
- **We now invite any Guests to check in. Please give us your Call sign, Name, & location.**
- **Go to Club Members Traffic, Announcements, & Training – if any.**
- **Make a final call for late or missed stations.**

Thank you for your participation in the net. **This is (ID/ your Call Sign)** _____ [example: Troy, N4HAM], closing the net for the Taylorsville Amateur Radio Club, KT7ARC, at (time _____) local time.

73's to everyone
