

Taylorsville City Amateur Radio Club

Weekly check-in Net

*Please note **not to ask** for training or announcements before our NET to help train our members to give that info when called on in the roll call for traffic.*

Good evening. This is (ID/Call Sign _____) (Example: Troy N4HAM) and I will be acting as net controller.

This is a directed net for Taylorsville City Amateur Radio Club HAMnet KG7BVO. Please respond when your name and call sign are called.

We will be performing the radio check on the 146.74 repeater KD7NX with a -600 kHz offset & a 114.8 tone which is linked to the 448.100 repeater with a -5MHz offset, also with a 114.8 tone. The repeaters is located high on top of Huntsman Cancer Hospital.

The purpose of this radio check is to allow all those in the Taylorsville City Amateur Radio Club to practice communication skills as well as test their equipment in the event of an emergency.

This is a directed net so please communicate with the net controller. Should there be an emergency please use the word **BREAK at any time**.

This list is according to City Council Districts. If you have **traffic, training, or announcements** please request it when your name is called and we will come back to your traffic after roll call.

If there are guests to this net who are monitoring this repeater, feel free to check in when the call goes out for guests; please give us your call sign, name & location. We are always interested in the range of this repeater.

Again, this is (ID/Call Sign _____) (Example: Troy N4HAM)

We'll now proceed with roll call.

That concludes our roll call

We will now ask for any Late or missed calls come now two at a time District, Name, & Call Sign...

We will now ask for any Guests Remember please give us your Call sign, Name, & location

Club Traffic, Announcements, & Training – if any

Club Members Traffic, Announcements, & Training – if any

That concludes our Traffic.

End – Close Net

Thank you all for your participation in today's net. We would also like to thank the owners and operators of this repeater and Taylorsville City for their support.

Have a great evening! **73's to everyone!**
